OUR MISSION

In the Driftless Deli Kitchen, we strive to bring you the freshest food made from scratch. Our team believes in using organic produce with as many locally-sourced ingredients as possible.

Our stem to root philosophy - using every part of the ingredient - along with vigorous composting and recycling, makes the carbon footprint of the Driftless Kitchen very minimal. Moreover, we promise to offer a variety of flavors by highlighting areas from around the globe to make your eating experience from Driftless Market simply elegant.

Love,

Driftless Market
