## Driftless Deli Mission

In the Driftless Deli Kitchen we strive to bring you the freshest made-from-scratch food. Chef Cena and her team believe in using organic produce and as many locally-sourced ingredients as possible.

Our stem to root philosophy, using every part of the ingredient, (along with vigorous composting and recycling) makes the carbon footprint of the Driftless Kitchen very minimal.

We promise to offer a variety of flavors in our foods by highlighting areas from around the globe to make your eating experience from Driftless Market simply elegant.
